After reviewing the application, a dedicated Tasdeer official will schedule a meeting with your company. Fill in an export readiness questionnaire.

After completing the questionnaire, you will be eligible to apply to any service provided by Tasdeer as long as it fits your type of business.

3 working days

Services and Requirements

This table will assist you in learning more about our services and gives you the opportunity to select the service that best fits your company's need.

Workshop

Process	Requirements	TAT 
Before every workshop all Tasdeer clients will receive invites for the workshop and a brief summary of the workshop. If interested you can send an email to register (email will be included in the invitation).	Once registered, kindly provide the Full Name, Email address, company name, and Mobile # (Contact details of the participant).	1 Day to get your confirmation.

Exhibition

Process	Requirements	TAT 
You will receive an invitation to register in the International Exhibition.	After notifying Tasdeer team of your interest in a certain exhibition you must provide the following: a. High resolution photo of the product. b. High Resolution of Company Logo. c. 1 page profile of the company (Editable file), Arabic & English. d. Agreement to be signed by Tasdeer and your company Authorized signatory will be needed to confirm your participation (2 copies). e. Security Cheque must be handed over to One Stop Shop to grant a Stand. (Security Cheque will be returned after your participation in the exhibition with Tasdeer) - If Conditions applied as per the agreement.	Once all requirements are submitted, within 1 working day your Stand will be reserved.

Exporters Directory

Process	Requirements	TAT 
The Export Directory includes Qatari Exporters and a brief summary of the company. This catalogue is distributed in big events, exhibitions, ministries.	In order to be registered in the Exporters directory you have to provide Tasdeer with official email expressing your interest to be listed in the catalogue. Your enrollment in the directory will be granted after completing the template of the catalogue (email/softcopy).	Your profile will be included in the next edition "Directory"

Public Tendering

Process	Requirements	TAT 
This allows you to engage with the international tendering opportunities. However, a training must be taken in order to utilize the channel at its maximum capacity.	You have to schedule a meeting with Tasdeer to take you through the technical process of registration and will train you on the system that will allow you to access the international tender opportunities.	1 business week to be added to the system that allows you to access the international tender opportunities.
